msl is one of Queensland's best

msl | michael sing lawyers, one of Queensland's largest full-service law firms, is proud to announce their achievement of ranking the Queensland Top 400 - Q400 Business Awards for the second year in row.

The awards were announced at the gala event opened by Premier Anna Bligh in Brisbane before a record crowd of the states most successful entrepreneurs.

The Q400 Awards recognises and celebrates the State's leading private businesses and are the conclusion of a year-long program.

msl are justifiably proud and honoured to receive this recognition, said Michael Sing, managing partner and founder of **msl**.

"We believe this award reflects the quality of our services and the true dedication and hard work of our professional staff."

The award placed the firm in the top 7 privately owned law firms within Queensland.

Established on the Gold Coast in 1990 by Michael Sing, a lawyer of more than 25 years experience, **msl** has grown considerably in response to the changing needs and expectations of clients throughout Queensland.

"Even in these difficult economic times, we are starting to see some green shoots appearing through the dirt," said Mr Sing.

"It is these signs of growth that provides Queensland businesses the encouragement they need to surge forward and prosper," Mr Sing continued.

With a growing team of more than 60 staff in both the Gold Coast and Brisbane offices, **msl** incorporates Australian Migration Lawyers and Workplace Law Queensland.

This impressive range of services is just the tip of the iceberg with the firm offering experts in other areas including banking and finance, conveyancing and property, family law, intellectual property, wills & estates, litigation and local government, environment and planning.

However, what differentiates **msl** from other firms is their reputation for providing the highest level of service, expert legal advice and ensuring every client receives personalised attention.

They are also a strong supporter of local businesses and have been actively involved in the Gold Coast Business Excellence awards by sponsoring and mentoring growing businesses for several years.
